NEW 2-in-1 Smart Alarm uses a single sensor to detect both CO & Natural Gas. Microprocessor Intelligence provides superior nuisance alarm resistance, along with temperature & humidity compensation, self diagnostics and Quick Find® alarm origination features. Perfect for new or replacement installations.

This 120 Volt AC/DC hardwired combination carbon monoxide & natural gas alarm offers time-saving installation features, value and quality.

**Features**

- Dual Sensing Alarm
- Auto sensitivity calibration
- Self-diagnostics feature
- Ambient condition compensation
- Replacement or retrofit
- Quick activation pull tab
- Universal mounting bracket
- Quick connect wiring harness
- Larger mounting base
- Quick Find® alarm origination feature

**Benefits**

- Provides protection against two deadly household threats: Carbon Monoxide & Natural Gas
- Prevents nuisance alarms and provides consistency in alarm sensitivity
- Performs a status check upon power up to ensure alarm is functioning properly
- Automatically adjusts sensitivity for temperature and humidity conditions
- Existing USI or Universal brand 120 Volt AC/DC alarm using existing wiring and mounting bracket
- Preserve battery life. Preinstalled battery is quickly activated without removing alarm from bracket
- Fits any standard wiring junction box, single gang, round or octagon, up to 4”
- Longer 8” pigtail wires are pre-stripped
- Covers drywall imperfections and old paint marks
- Patented feature easily identifies first alarm to sound in an interconnected system
- Alarm signals when it is time to replace after approximately 7 years (from the date of initial power-up)
- Replace battery without removing alarm from bracket
- Temporarily quiets nonemergency alarms and tests alarm functionality
- Protects alarm from dust, debris and painting during construction or home remodeling
- Prevents alarm and battery removal

**Technical Specifications**

- Sensor Type: Solid state, tin oxide
- Primary Power: 120 Volt AC 60 Hz
- Battery Backup: 9 Volt Energizer alkaline battery
- Audible Alarm: 85 dB at 10 feet
- Temperature Range: 32º F to 100º F (0º C to 38º C)
- Humidity Range: 10% to 95% RH
- LED: 4 LED’s: alarm, power, CO, gas
- Size: 5.65” x 5.63” x 1.75”
- Warranty: 5 year limited

**Regulatory Compliance:**

- California State Fire Marshal (CSFM)
- National Fire Protection Association (NFPA)
- Housing and Urban Development (HUD)
- Federal Housing Authority (FHA)
- CZHF (UL)
